MINISTRY OF COMMERCE

PUBLIC NOTICE

IMPORT TRADE CONTROL.

New Delhi, the 25th February 1950

SUBJECT:—*Principles governing the issue of Import Licences for January-June 1950*

No. 1(1)ITC/50.—The following decisions made by the Government of India governing the issue of licences for imports of goods falling under Parts II to V of the Import Trade Control Schedule for the licensing period January-June 1950 are hereby published for general information. Principles for the licensing of certain articles covered by Part I, the work relating to which was previously done by the Steel Import Controller, Calcutta and which has since been taken over by the Chief Controller of Imports, will be found at Appendix U. A separate Public Notice has been issued about licensing of Non-ferrous metals.

These decisions do not affect goods falling under the Capital Goods and Heavy Electrical Plant Licensing Schemes, applications for the import of which will continue to be dealt with in accordance with the procedure prescribed in the Ministry of Commerce Public Notice of the 10th April, 1948 as amended by Public Notices dated the 13th August 1948 and 10th November 1948, which notices are reproduced in Appendix 'A'.

2. *Income-tax Verification Certificates.*—A revised Public Notice dated the 9th February 1950 has been issued by the Ministry of Commerce explaining the revised procedure to be adopted for allotment of Income-tax Registration Numbers and for specific exemption Numbers. This Public Notice and form prescribed thereunder will be found in Appendix B. Applicants (Whether individuals or Companies) who have already obtained Registration Numbers and not exemption numbers will not be required to get their certificates registered again for the current period. It should be noted that applications for items which will now be licensed 'subject to monetary ceilings' cannot be considered unless the requisite Income-tax Verification Certificate Registration Number or Income-tax Certificate Exemption Number is furnished.

3. *Levy of Fees.*—The Government of India have decided to levy fees on the applications for import licences submitted to the licensing authorities in India after the 31st December 1949. The Scale of fees which are

payable in a Government Treasury have been prescribed in the Commerce Ministry's Notification No. 39-ITC/49, dated the 31st December 1949. No applications shall be entertained which are not accompanied by a proof of the payment of the requisite fee under the aforesaid Notification *viz.* Treasury Receipt. The fees once received cannot be refunded under any circumstances. Attention in this connection is also invited to the Commerce Ministry's Notification No. 40-ITC/49, dated the 31st December, 1949. The Notifications referred to in this paragraph are reproduced under Appendix 'L' to this Public Notice.

4. Grouping of countries in relation to currency for the purpose of licensing imports during January-June 1950, will be as follows:—

A. Dollar Area—

- (i) U.S.A. and any territory under the sovereignty of the U.S.A.
- (ii) Canada (including New Foundland).
- (iii) Other American Account countries, consisting of Phillipine Island, Bolivia, Colombia, Costa Rica, Cuba, Dominican Republic, Ecuador, Guatemala, Haiti, Honduras, Mexico, Nicaragua, Panama, Salvador and Venezuela.

B. Hard Currency Area—

- (i) Argentina.
- (ii) Belgium and her possessions.
- (iii) Japan.
- (iv) Paraguay.
- (v) Switzerland.
- (vi) Western Germany (US/UK/French Zones) which excludes Saar.

C. Medium Currency Area—

Portugal and her possessions (excluding Portuguese India).

D. Soft currency Area—

All other countries excepting the Union of South Africa.

E. Union of South Africa.

5. *Imports from Soft Currency Areas.*—(i) Imports of certain specified articles are allowed without any licence from the Sterling and Soft Currency Countries under the Open General Licence No. XVI. Articles not covered by Open General Licence No. XVI require a licence before importation into India is allowed.

(ii) *Imports from Pakistan.*—Imports only of fish, poultry, butter, fresh vegetables, eggs and milk and of articles mentioned in Open General Licence No. XVI are allowed without licences from Pakistan. Further trade with that country is at a stand-still for the present.

6. *Imports from Portugal and her possessions (excluding Portuguese India).*—Licences for imports from these countries will generally be granted on the same basis as for imports from soft currency countries indicated hereafter, but for this purpose past imports from Portugal and her possessions only (excluding Portuguese India) will be taken into consideration.

7. *Imports from the Union of South Africa.*—No licences will be granted for imports from the Union of South Africa.

8. *Imports from Switzerland.*—Only applications for the import of essential items of machinery or raw materials not available from soft

and medium currency countries will be considered. These will be decided on the merits of each case. For other items, if necessary a further announcement will be made by means of a separate Public Notice.

9. *Imports from Argentina and Paraguay.*—Only applications for the import of essential items of machinery or raw materials not available from soft and medium currency countries will be considered. These will be decided on the merits of each case.

10. *Imports from Western Germany (US/UK/French Zones excluding Saar).*—Licences granted for imports from Western Germany will be generally for the articles covered by the Indo-German Trade Agreement (Appendix C).

11. *General.*—Appended to this Public Notice is a statement (Appendix D) which shows in a tabular form the licensing policy in respect of imports from the dollar area, Western Germany, Belgium, Switzerland (in respect of certain specified articles only) and Japan and soft currency countries. This tabular statement read with paragraph 5 will indicate also the licensing policy in respect of medium currency countries. Importers are requested to study the position carefully and refrain from making applications for import licences for articles which are not to be licensed.

12. In view of the limited availability of foreign exchange the licensing of all articles is 'subject to monetary ceilings'. Applicants for import licences have, therefore, to justify fully the import of the articles required from abroad. Articles have, therefore, been listed in three categories (I) articles for which no licences will ordinarily be granted, (II) articles whose import will be licensed subject to quota (the quota percentages will be notified by the licensing authorities concerned) based on past imports and (III) articles which will be licensed to actual users i.e., industrial consumers only if the import is justified *ad hoc* by the applicant and then only to the extent to which import is considered essential. In the case of articles falling under category (III) the determining consideration will not be the past imports by the applicant but the essentiality of the import, the over-riding consideration being always the availability of foreign exchange. Licences will not be issued for goods when these or suitable substitutes thereof are available in reasonable quantity from indigenous sources or from stocks in the country. Requests for import licences from dollar and hard currency countries will need the further justification that the article to be imported or a suitable substitute thereof is not available from soft currency countries.

In the case of certain articles, there are bilateral trade agreements entered into by India with individual countries providing for the imports into India of such articles but it has not been considered necessary to license the import of those articles from other countries in the same group or any other group. In such cases licences will be issued for the import of the article in question only from the particular country. Lists of the articles which are mentioned in the Trade Agreements from various countries are given in Appendix 'C'. As the ceilings for imports from the soft currency area as a whole generally exceed the figure in the various trade agreements from soft currency countries it is upto the established importers to import the article from any of the trade agreement countries or other soft currency countries as they desire. The inclusion of an article in a Trade Agreement will not give an established

importer any claim to import that article from the country concerned in excess of his quota based on past imports.

13. *Procurement of licences in advance of shipment of goods.*—Importers are advised, in their own interest, not to make any firm commitment with foreign suppliers or arrange for the shipment of any licensable goods, without first obtaining the necessary import licence. In the case of licensable goods the test will be whether the goods are covered by a licence valid on the date of shipment. Unauthorised imports are liable to be severely penalised *vide* Press Note issued by the Government of India on 16th July 1949 (Appendix 'E').

14. *Period of validity of licence.*—All licences will be valid for shipment made within six months from the date of issue of licence except where otherwise specified. An exception to this has already been made in case of articles like Non-ferrous Metals (*vide* Appendix R). The period of validity will be specified on each licence. A period of 15 days grace in respect of licences will be generally allowed, unless otherwise notified, for the purpose of facilitating shipments; but it should be noted that this cannot be claimed as of right. Further, no letter of credit can be opened against a licence during the period of grace immediately following its expiry.

15. *Limiting factor.*—Importers should note that unless otherwise specified, the c.i.f. value shown on the licence will be the limiting factor for purposes of clearance of goods from the Customs. Orders should be so placed and adjusted that the c.i.f. value of the goods on arrival does not exceed that shown in the licence.

16. *Form of application.*—Application for import licences should be made, in the form (Appendix 'F') and all the information required therein should be accurately furnished. Any application which is not made in the prescribed form and manner or which does not furnish all the relevant information required in this form is liable to be summarily rejected. Applicants are requested to study the general rules for submission of applications (Appendix 'G') carefully and send each application separately with relevant documents by Registered Post, Acknowledgment Due. Applications sent to an incorrect authority cannot be considered to have been validly submitted.

17. *Date for receiving applications.*—All applications excepting from newcomers or excepting where otherwise specified, will be received upto the 10th June 1950. No application for which any last date has already been fixed for the current half year received after the prescribed date will be entertained.

18. *Authorities to whom applications should be made.*—Applications for import licences for articles comprised in Part V of the Import Trade Control Schedule should be made to the Chief Controller of Imports, New Delhi. In addition, applications will be received by the Chief Controller of Imports, New Delhi, direct for the items enumerated in (Appendix 'K') covered by Part IV of the I.T.C. Schedule. Except for the articles mentioned in Appendix 'K' applications for imports of all articles covered by Part IV of the I.T.C. Schedule should be made to the Import Trade Controller at the ports where similar goods were imported by the applicants in the past during the basic period. Applications for import of Non-Ferrous Metals falling under Part I of the I.T.C. Schedule should be submitted to the Chief Controller of Imports, New Delhi. Applications for uncontrolled categories of iron and steel articles covered

by Part I of the Schedule should be submitted to the Deputy Chief Controller of Imports, Calcutta. A reference in this connection is invited to Appendix U of this Public Notice.

Applications for import licences for articles included in Parts II and III of the I.T.C. Schedule should be made unless otherwise indicated, to the Deputy Chief Controller of Imports Calcutta and Bombay, respectively. (Note:—Applications for textile machinery and accessories falling under Part III should be made to the Deputy Chief Controller of Imports, Bombay in triplicate).

19. *Applications from Actual Consumers.*—Where goods are licensable and are required as raw materials or accessories for use in industrial concerns, applications from actual consumers will receive consideration. Actual consumers who can conveniently do so should send their applications on a yellow form or with the words "Actual Users" in block letters in red ink on the top of the applications, since this will facilitate early consideration of their application. They should clearly specify in their application their past estimated consumption of the article concerned, as required in Item No. 8 of the prescribed form, and send along with the application a certificate from either the Director of Industries of the Province where the factory is situated or from the Director General of Industry and Supply, New Delhi, showing their manufacturing capacity and their actual requirements of the article concerned. Applications from Textile Mills may have a certificate from the Textile Commissioner. Firms who have received actual consumer licences in the preceding half-year, may send a copy of any certificate of that period from the Provincial Director of Industries or from the Director General of Industry and Supply New Delhi, or refer to the previous applications with which original certificate was sent.

20. *Applications for imports of raw materials for certain industries.*—Tyre Manufacturers, Electric Lamp Manufacturers, Fan Manufacturers, Radio Manufacturers, Cycle Manufacturers, Battery Manufacturers and Manufacturers of Electric Motor and Transformers should submit to the Chief Controller of Imports, a consolidated application separately for each country of supply to cover their requirements of all imported raw-materials etc. needed by them for their own manufacture. Such an application should give a detailed list of the articles required and their value and should cover the applicant's requirements of all materials falling under Parts II to V and also those articles of Part I of the Import Trade Control Schedule which will be licensed under the administrative control of this Ministry. In respect of these materials no separate applications need be sent to the various licensing authorities for the different commodities. In the case of other goods falling under Part I and those falling under Part VI, applications should be sent to the appropriate licensing authority as usual.

The paragraph above applies to those whose manufacturing process includes the making of some essential components in India and not to those who merely assemble imported components.

21. *Conditions subject to which licences to actual users will be granted.*—Licences to actual consumers of raw-materials and accessories will be issued with the following conditions endorsed on them:—

"This licence is issued subject to the conditions that the goods will be utilised only for consumption as raw-materials or accessories in the licence holder's factory and that no portion

thereof will be sold to or permitted to be utilised by any other party".

22. If any actual user to whom a licence has been issued subject to the above conditions, is found to have infringed the conditions of the licence, such licensee will be liable to be debarred from getting any licences in future.

23. *Applications from Established Importers.*—For licensable commodities applicants who have imported these commodities in the past should specify their past imports of the articles falling under the particular serial No. of the I.T.C. Schedule applied for, during any one complete financial year between 1937-38 and 1948-49, both years inclusive. The statement of past imports should be supported by:—

- (i) The quota certificate issued by the licensing authority concerned during July-December 1949 or, in case the latter has not been subsequently amended, the quota certificate issued during January-June 1949, or
- (ii) Triplicate copies of the Customs Bills of Entry for Home consumption,
- (iii) Postal declaration forms or Customs duty receipts with relevant invoices and Bank Drafts; or
- (iv) a certificate by a Registered or Chartered Accountant certifying in prescribed form (Appendix 'G') the total c.i.f. value of the imports made by the applicant in the particular financial year.

24. It will be open to the licensing authority concerned to call for original Bills of Entry in any particular instance in lieu of the acceptance of the evidence of the quota certificate or the certificate given by the Registered or Chartered Accountant.

25. *Calculation of quotas.*—Established importers will be granted licences in accordance with the quota calculated on the basis of their past imports. These quota percentages will be notified by the licensing authorities concerned.

For imports from dollar area quota licences will be granted on the basis of imports of the same goods from dollar areas.

Similarly in fixing a quota for imports from Japan, West Germany and Switzerland, past imports from Japan, West Germany and Switzerland alone will be taken into account for calculation of quotas.

For imports from soft currency countries the total imports in one year from all sources can be taken into account for purposes of calculation of the quota provided the item is one shown in this Public Notice as licensable from soft currency countries only.

26. *Minimum value of quota licences.*—No quota licences will be granted in cases where the quota found admissible on calculation is less than Rs. 250 in the case of imports from dollar or hard currency areas or less than Rs. 500 in the case of imports from soft currency areas except where otherwise stated.

27. *New Comers applications.*—A separate notice in the latter part of this Public Notice (Appendix 'X') lays down the procedure for receiving

applications from newcomers i.e., importers other than those specified in paras. 19 and 23 above.

28. In respect of the goods for which newcomer applications have been invited the minimum licence to be issued to an established importer will ordinarily be not less than Rs. 1,000 provided the established importer's past imports in one year have not been less than that amount.

29. *Applications from displaced firms and persons.*—Applications in respect of any goods falling in Part IV of the I.T.C. Schedule from those who had import business in the past in Karachi and Chittagong and who are now residents of India should be submitted to the Chief Controller of Imports, New Delhi, unless they have imported the article in question during 1948-49 into a port in India and desire to base their claim for a licence on the imports during 1948-49 and not on their imports in an earlier year through a port now falling in Pakistan.

If they desire to base their claim on the imports during 1948-49 into an Indian Port they should apply to the Import Trade Controller at that Port except in respect of items in Appendix 'K' for which applications are required to be made to the Chief Controller of Imports, New Delhi.

If they do not choose the last mentioned alternative they should apply to the Chief Controller of Imports, New Delhi, forwarding the quota certificate granted by that officer during January-June 1949 and endorsed during July-December 1949. The quota certificate without endorsement may be forwarded if the firm had not applied for a licence during July-December, 1949 and it is satisfactorily explained why no application for the latter period was made. Such applicants should also give their Refugee Registration number or Camp Commandant's Certificate or other evidences to show that they were actual residents of areas now included in Pakistan.

30. No applicant should claim a quota licence from the Office of the Chief Controller of Imports on the basis of a quota certificate issued during January-June 1949 or July-December, 1949 as well as from the Import Trade Controller at the Port or other licensing authority, on the basis of imports during 1948-49. Only one licence should be claimed whether on the basis of the quota certificate or on the basis of imports during 1948-49, if that is the firm's best year for such imports.

Firms found to have claimed two licences on this basis from the same or different authorities will be liable to forfeit all claim to receive any licences in future.

31. *One application only for the same commodity from the same group of countries.*—A firm or individual cannot ordinarily put in more than one application for goods falling under the same Serial No. and from the same group of countries, whether the applicant is an established importer or a new comer or an actual user or falls in more than one of these categories. Serious notice will be taken if any applicant infringes this rule. In case of imports of the goods falling under the same Serial No. from different countries in the same Group details of imports desired from each country should be shown preferably in a sheet attached to the same application. This does not however apply to machinery items where more than one application become necessary for unavoidable reasons or to raw materials required by an industrial actual user. In such cases the references of the earlier applications should be given.

However, there is no objection to a batch of applications being made simultaneously giving cross references in each to the other applications made.

A branch of a firm cannot separately apply as a newcomer when the head office is applying for a licence either as an established importer or as a newcomer.

32. A list of items of Machinery and Machine Tools which are manufactured in India and whose import is ordinarily not considered necessary is given in Appendix "ZC".

Applicants for import licences for such items are advised to consult that list and as far as possible refrain from submitting applications for import of such goods.

APPENDIX A

Licensing procedure and scope of imports of Capital Goods and Heavy Electrical Plants

GOVERNMENT OF INDIA, MINISTRY OF COMMERCE, PUBLIC NOTICES.
NEW DELHI, THE 10TH APRIL 1948

Revised Scheme for Licensing Imports of Capital Goods

No. 21(17)-ITC-48(i).—The Government of India have reviewed the scope of the Capital Goods licensing procedure, in the light of the experience gained on the working of that procedure. It has been decided that, subject to the provision of paragraph 2 below, the following goods classified under Parts II, III, V and VI of the Import Trade Control Schedule should be regarded as falling under the Capital Goods licensing scheme:

(a) PART II.

Serial No. 36: All goods included in Serial No. 36(1), 36(2), 36(3), 36(4) and 36(5).

Serial No. 37: 37(1): the following goods, namely:—

Looms, sewing thread balls making machines, cumbli finishing machinery, and tape looms.

37(2): Component parts of machines. etc. specifically mentioned above.

(b) PART III.

Serial No. 4: All goods included in Serial No. 4(1), 4(2), 4(3), 4(4), and 4(5).

Serial No. 5—5(1): the following goods namely:—

Looms, tape looms, wool carding machines, wool spinning machines, hosiery machinery, coir mat shearing machines, coir fibre willowing machines, silk looms, silk throwing and reeling machines, silk twisting machines, cumbli finishing machinery, cotton carding and spinning machines and comber boards.

5(2): Component parts of machines etc. specifically mentioned above.

(c) PART V.

Serial No. 65: All goods included in Serial No. 65(1), 65(2), 65(3), 65(4) and 65(5).

(d) PART VI. All items.

2. The scheme will apply to the following categories of applications for licences to import the above-mentioned Capital Goods:—

(i) Applications of an aggregate value of Rs. 25,000 (f.o.b.) or over for any single project with any project subsidiary thereto.

(ii) Applications from holders of a 'C.G.' or 'C.G.P.W.' licences for importation of additional plant and machinery, irrespective of its value, when required for the project for which the original licences were issued.

(iii) Applications for importation of capital goods for stock and sale valued at Rs. 1,00,000 (one lakh) (f.o.b.) or over even when the value of an individual unit required is less than Rs. 25,000 (f.o.b.).

3. The following points should specially be noted:—

(a) A separate notice has been issued re-defining the classes of goods which will fall within the scope of the Heavy Electrical Plant Licensing Schemes. Applications for goods falling in 'H.E.P.' category will be dealt with outside the scope of the Capital Goods Licensing Scheme.

(b) Such articles of iron and steel as are classified under Part I of the Import Trade Control Schedule have now been entirely excluded from the scope of the Capital Goods Licensing Scheme. Applications for such goods should, therefore, be made in the usual way direct to the Steel Import Controller, Calcutta.

(c) Applications for import of goods classified as Capital Goods should be made in the special form prescribed for the purpose and not in ordinary Import Trade Control form and submitted in duplicate as follows:—

(i) For import of cotton textile plants and machinery and hosiery and knitting machinery falling under Serial Nos. 4 and 5 of Part III of Import Trade Control Schedule as stated in paragraph I above—to the Deputy Chief Controller of Imports (Capital Goods), Bombay.

(ii) For import of all other plants and machinery including machine tools—to the Chief Controller of Imports (Capital Goods), New Delhi.

4. This revised capital goods licensing procedure will have effect from the 20th April, 1948, and will be applicable to imports from all countries including Japan and Germany.

5. Applications received by the respective licensing authorities prior to that date even when falling within the scope of the revised procedure will be dealt with according to the existing instructions.

Import of Heavy Electrical Plant—Revised Licensing Procedure and Scope

No. 21(17)-ITC/48(ii).—Applications for import licences for certain types of electric plants, machines and equipments, e.g., Turbo-Alternators, Water-tube boilers, Diesel generating plants, Transformers, Switchgear,

Mercury arc rectifiers etc. of large capacities or designed for high voltages, are at present dealt with under a special procedure for licensing of imports for Heavy Electrical Plant.

2. It has now been decided to extend the benefits of the special H.E.P. licensing procedure to electric plant and machinery and cognate equipments and materials falling under the undermentioned Serial Numbers of the Import Trade Control Schedule contained in the Government of India in the Commerce Department Notification No. 23-ITC/43, dated the 1st July 1943 in cases where such goods are essentially required for specific electric power projects both for Public Electric Utilities (including Government sponsored and privately owned undertakings) and for power plant equipment (either for generation or transformation of electric power) of factories.

Serial Nos. 30, 32, 33A 33B, 34, 36, 38, 39, 42, 43, 45, 46A and 48 of Part II;

Serial No. 4 of Part III; and

Serial No. 65 of Part V.

This list now supersedes the existing list of goods indicated in para. 1 above.

3. All applications for imports of electric plant, machinery and equipments etc. of the type and for the purpose mentioned in para. 2 above and amounting in an aggregate to a value of not less than Rs. 25,000 (f.o.b.) for any single project or a group of connected projects will be treated as Heavy Electrical Plant. Such applications will be dealt with outside the scope of the capital goods licensing procedure and decided by the Chief Controller of Imports in consultation with the Central Electricity Commission, Government of India. Parties requiring H.E.P. licences, in future, should, as far as possible, consolidate their requirements and submit applications in duplicate to the Chief Controller of Imports through the Central Electricity Commission, Government of India, Simla, an advance copy of application being forwarded simultaneously to the former.

4. Application for Heavy Electrical Plant should be made in the same form as that prescribed for import of capital goods, and the revised procedure will be applicable to imports from all sources.

5. Licences against applications falling within the above-mentioned category will bear the distinctive mark 'H.E.P.' but will be issued in the same special pink form as in the case of capital goods licences. Any procedure in force governing the period of shipment in respect of Capital Goods licences will automatically be applicable to 'H.E.P.' licences. These licences can therefore be made valid for shipments within a specified period which may extend up to three years.

Period of validity of future import licences for Capital Goods and Heavy Electrical Plant

No. 21(17)-ITC/48(iii).—It is notified for the information of the public that the following procedure is introduced in regard to the validity of import licences to be granted for Capital Goods and Heavy Electrical Plant.

(i) Except in cases referred to in (ii) below, a "C.G." or "H.E.P." licence will be issued with an initial validity period of six months from the date of its issue. These licences will be validated at or before the

end of six months and will cover the expected period of delivery of goods provided satisfactory evidence is produced that the order for the goods has been accepted by the foreign suppliers and a firm contract is made within this initial period of six months. The maximum period for which a C.G. or H.E.P. licence will be valid will, however, be three years from the date of its issue.

To make this position clear beyond doubt, licences issued after 20th April 1948 will bear an endorsement as follows:—

“This licence is initially valid for a period of six months from the date of its issue. Its validity will however, be extended to the approximate period of shipment of goods provided satisfactory evidence is produced to show that firm contracts are made for their supply. In no case, however, will the validity period extend beyond three years from the date of issue”.

(ii) Where an application is made after a firm order had been placed, licences will be issued valid upto the probable date of delivery, which may extend upto a maximum period of three years, from the date of issue of the licence.

2. It may be noted that this procedure of validating C.G. and H.E.P. licences for long periods has been introduced with a view to enable the importers to place their orders on the suppliers without difficulties and to enable Government to keep a watch on the extent to which licences for Capital Goods and Heavy Electrical Plant are in fact being used.

Form of application for import of Capital Goods and Heavy Electrical Plant.

No. 21(17)-ITC/48(iv).—The revised form of application for import of Capital Goods and Heavy Electrical Plant is published below:—

(To be addressed in duplicate to):—

- | | |
|---|---|
| (1) for cotton textile machinery and Hosiery and Knitting machines. | To the Deputy Chief Controller of Imports (Capital Goods), Bombay. |
| (2) for other capital goods | To the Chief Controller of Imports (Capital Goods), New Delhi. |
| (3) for Heavy Electrical plant | To the Chief Controller of Imports (H.E.P.), New Delhi, through the Central Electricity Commission, Government of India, Simla. |

1. Particulars of applicant :—

Name
 Address (Postal)
 „ (Telegraphic)

2. Names of directors or partners, if any, of the concern for which the goods are required

3. Country from which the goods are to be shipped

4. Detailed description of goods (with number or quantity)—[full details should be given here or in a list (five copies) attached to the application.]

5. Part and Serial No. in the Schedule to Commerce Department Notification No. 23-ITC/43, dated 1-7-1943 (*vide* Parts II, III, V and VI)
6. Port of entry of goods
7. Approximate value of goods (in rupees)
 - (i) f.o.b.
 - (ii) c.i.f.
8. Estimated gross weight in tons (of 2,240 lbs.)
9. Name and address of manufacturer
10. Name and address of suppliers or merchant on whom the order has been placed. State number and date of order and or/its acceptance, if any. (Evidence of firm contract where made should be furnished)
11. Period during which shipment of the goods is desired. (The time likely to be required for manufacture should be taken into consideration, and the total period should not in any case exceed three years)
12. Financial year (*i.e.* year ending 31st March) during which payment is likely to be required
13. Purpose for which goods are required :—
 - (a) replacement of existing machinery and/or maintenance of existing plant; if so, when was the plant installed and when was the machinery in question last replaced ?
 - (b) expansion of existing plant ; if so, what is the capacity of the existing plant and what will be capacity of the expanded plant ?
 - (c) New industrial undertaking ; if so, what is to be the capacity of the plant ?
 - (d) for stock or sale
14. Where are the goods to be installed or used ?
15. Do the goods covered by this application form a complete order or only an instalment ? If the latter, state :—
 - (a) the extent of the instalment
 - (b) the extent of the full order
 - (c) the date of any connected application for import licence and No. and date of any licence issued
16. What products are to be manufactured with the machinery in question ?
17. Is any issue of capital involved for the purpose of importation of these goods ? If so, has the consent of Government been obtained, and in the name of what Company ? Also state what are the amounts of the present capital and the proposed expanded capital ?

18. Has any other Government authority been approached in connection with the goods covered by the application, e.g. for the commencement of the proposed industry or location of the proposed factory? If so, quote reference to correspondence and state views expressed by such authority
19. If the goods are to be purchased from a country in dollar and hard currency area, please mention special reasons therefor and also state how far they are available in sterling area or easy currency countries and furnish the details of endeavours made to obtain goods from such countries or from indigenous sources
20. Has any import licence in respect of the project
 similar goods (where goods are required for stock and sale)
 (a) been applied for (if, so, give number and date of application)
 (b) granted (if so, give number and date of licence and of Memo. with which licence was forwarded)
21. Raw materials required for purpose of manufacture and sources inside or abroad wherefrom they are proposed to be obtained
22. Whether the machinery to be imported is
 (a) secondhand and reconditioned or
 (b) new; if (a) a certificate from the suppliers should be furnished to indicate the age of the machinery, its present condition and probable unexpired life and, if possible, a photo should be furnished
23. Please state whether any cold storage plant or air-conditioning unit is and/or will be required: if so, has any licence therefor been obtained or an application for import licence made (quote reference and date). Also state how it is essential

I/We hereby declare that the above statements are true and correct to the best of my/our knowledge and belief. I/We fully understand that any licence granted to me/us on the basis of the statements furnished is liable to cancellation if it is found that any of the statements or facts therein are incorrect and false.

NOTE

1. Applicants should fill in all the items in the application to avoid correspondence and delay in the disposal of their application. The licensing authorities have discretion to reject an application if the application is not complete in all respects.

2. Documentary evidence as asked for should be sent along with the application.

3. Any special reasons in support of the application may if necessary, be explained in covering letter attached to the application.

4. Any applicant supplying false or incorrect information may be liable to have his licence cancelled and, in addition, may be debarred from the grant of any Import Licence in future.

Details of Capital Goods Licensing Procedure

No. 21(17)-ITC/48(v).—1. The Government of India Press note dated the 19th December 1946 stating procedural details for consideration of applications under the Capital Goods Licensing Scheme is republished below:—

“The Capital Goods Registration Scheme which was introduced in December 1944 has been abolished. In future, therefore, it will not be necessary for intending importers of capital goods to apply for prior registration of their requirements. They may now apply straightaway for licences.

Applications for Capital Goods which relate to industries for which post-war planning has been approved by the Government of India will be dealt with in accordance with such plans.

Those relating to industries for which plans have not yet been approved by the Government of India will be considered on merits by the Chief Controller of Imports in consultation with the Government of India, Inter-departmental Capital Goods Imports Committee which meets once a fortnight.

Applications relating to the Cotton Textile Industry which is a planned industry, will continue to be dealt with by the Deputy Chief Controller of Imports, Bombay and those relating to other capital goods will be dealt with by the Chief Controller of Imports as heretofore. The definition of the term “Capital Goods” will remain the same as at present.

This change has been made with the object of expediting disposal of applications.”

2. As regards unplanned industries, applications for import of Capital Goods are considered on merits on the basis of their general essentiality and the usefulness of the undertaking to the economy of the country. With regard to the planned industries applications for import of capital goods may be accepted only if the proposed undertaking fits into the approved plans of industrial expansion and stabilization.

Procedure for revalidation of existing Capital Goods and H.E.P. Licenses.

No. 21(17)-ITC/48(vi).—The Government of India Public Notice dated the 12th December 1947 issued by the Chief Controller of Imports stating procedural details for revalidation of C.G. and H.E.P. licences is republished below:—

“It is hereby informed that the announcement contained in this office Public Notice of 25th November 1947 does not apply to import licences—marked “C.G.”, “C.G.P.W.” or “H.E.P.”. The position regarding revalidation of such licences is governed by the Commerce Ministry Press Note of July 25, 1947 which is reproduced below:—

‘Automatic revalidation of import licences marked C.G. (Capital Goods), C.G.P.W. (Capital Goods Post War) and H.E.P. (Heavy Electrical Plant) is no longer in force. Holders of such licences which have expired whether originally granted upto or valid until June 30, 1947, should therefore apply for revalidation, if shipment of goods has still to be effected.

Where, however, these licences have been granted with periods of validity beyond June 1947, they are valid for the periods specifically mentioned and no present action towards revalidation is necessary.

All applications for revalidation should be made to the authorities by whom licences were issued and should be accompanied by satisfactory evidence to the effect that firm orders have been placed abroad and that suppliers have asked for an extension of time.

It should be noted that announcements so far made about revalidation of licences for non-capital goods do not apply to the above-mentioned three categories of imports."

PUBLIC NOTICE, DATED NEW DELHI, THE 13TH AUGUST 1948.

Revalidation of Capital Goods or H.E.P. Licences

Detailed instructions were issued in the Commerce Ministry Public Notices of the 10th April 1948 about the period of validity of future import licences for Capital Goods and Heavy Electrical Plant and also the procedure to be followed for revalidation of past licences. According to the current instructions the maximum period for which a Capital Goods or H.E.P. licence will be valid will be three years from the date of issue. No definite instructions have, however, so far been laid down as to the period or periods upto which licences issued prior to the 20th April 1948 will be revalidated. This matter has been engaging the attention of the Government of India and to be in keeping with the general procedure about period of shipment of Capital Goods or H.E.P. licences, a revision in the procedure followed in the matter of revalidation of such licences has been felt necessary. In practice it has been found that revalidation has been permitted by some licensing authorities upto periods as long as 1952-1955 and any such action is not only anomalous but also goes against the basic principles enumerated above.

2. It has accordingly been decided that the procedure outlined below should be adopted in the matter of revalidation of old Capital Goods or H.E.P. licences:—

- (a) *Capital Goods or H.E.P. licences which were granted valid upto 30th June 1947 or were automatically revalidated upto that date.*

Revalidation in these cases should be permitted to a period not exceeding December, 1950.

- (b) *Capital Goods or H.E.P. licences which were issued between 1-7-1947 and 19-4-1948.*

The maximum period of revalidation to be permitted in these cases should be upto June 1951.

- (c) *Applications for revalidation of Capital Goods or H.E.P. licences, which were valid or were revalidated upto 30-6-1947.*

Such applications, if not already made, should be entertained only if made by 30th September 1948 accompanied by necessary documentary evidence about firm contracts having been made and also showing the period of delivery promised by foreign suppliers.

- (d) *It is not proposed to review cases where revalidation have been sanctioned already beyond the maximum periods mentioned in (a) and (b) above.*

PUBLIC NOTICE, DATED NEW DELHI, THE 10TH NOVEMBER 1948.

Subject.—Capital Goods Licensing Procedure

No. 21(17)-ITC/48.—Details of the revised scheme for licensing imports of capital goods were published in this Ministry Public Notice No. 21(17)-ITC-48 (i) dated the 10th April 1948. APPENDIX B

Income Tax Verification Certificate Registration of Scheme for the first half of 1950 for the purpose of import/export licensing.

GOVERNMENT OF INDIA, MINISTRY OF COMMERCE, PUBLIC NOTICE, NEW DELHI.

DATED THE 9TH FEBRUARY 1950

The following decisions taken by the Government of India in connection with the production of and allotment of Registration Nos. against Income Tax Verification certificates and with the procedure to be adopted for applying for specific exemption from the production of such certificates, are hereby published for general information:—

I. Allotment of Registration Numbers:—

(a) Income Tax Verification Registration numbers so far allotted by the—

- (1) C. C. Imports.
- (2) D. C. C. I. & E, Bombay/Calcutta.
- (3) Import/Export Trade Controller, Madras.
- (4) Export Trade Controller, Amritsar.

In accordance with the Commerce Ministry P. N. No. 1 (2) ITC/49, dated the 8th January 1949, which was at first issued as valid for the calendar year 1949, will continue to be held valid for purpose of applying for import licences during the licensing period ending June 1950. This concession will, however, not apply to the specific exemption numbers allotted by the C. C. Imports, for which new applications will have to be submitted in accordance with the procedure detailed in para. II below.

(b) For individuals or firms desirous of obtaining new Registration Nos. applications in the form appended to this notice, duly filled in should be presented to the Income Tax Authority (specified below) who will then verify the particulars from their record, subscribe the necessary verification certificates on all the copies required and return them so as to enable the applicant to forward the same to one of the officers referred to in the preceding para. It is not necessary to obtain a separate No. from each one of the licensing authorities as, for instance, a registration number allotted by the Chief Controller of Imports, will be held valid by the Deputy Chief Controller of Imports, Bombay or *vice versa*.

(c) Income-tax authority for the purpose of this Public Notice will be:—

- (i) Income Tax Officers of the circle, ward or District where the applicant is assessed or assessable to Income Tax.
- (ii) In the cases of applicants from Bombay or Calcutta, the Income Tax Verification certificates may also be sent to the Headquarters Assistant Commissioner of Income Tax; from Madras and Delhi to the Inspecting Assistant Commissioner of Income Tax, respectively.

(d) Instructions have recently been issued by the Government of India to the Income Tax Officer that in future, Income Tax Verification Certificates should be issued as specifically valid for a period of one year from the date of issue. In order to fit in the working of the Income Tax Registration Scheme with the two half-yearly licensing periods in the issue of import licences, it has been decided that the Registration Number allotted against a complete Income-tax Verification Certificate will be valid for the half-yearly licensing period in which the Certificate is issued, and for the next half-yearly licensing period, only. For instance, on an Income-tax Officer's certificate issued during August 1950, a Registration Number allotted would be valid for the July-December 1950 period as well as for the next period ending June 1951. For this purpose a distinctive mark on the Registration Numbers issued hereafter showing the month and year when its validity expires will be adopted. The series of Registration Numbers will in future be as follows:—

- (i) CCI-IVC/1,000/June 1951

DCCI & E/Bom/IVC/——/June 1951 etc.

in the case of certificates issued by the Income Tax Officer between July 1st and December 31st 1950.

- (ii) CCI-IVC/1,000/December 1951.

DCCI & E/Bom/IVC/——/December 1951

in the case of certificates issued by the Income Tax Officer between January 1951 and June 30th 1951 and so on.

The letters allotting the Registration numbers will clearly specify the period of validity thereof, before the expiry of which the applicants will have to procure and lodge fresh Income-tax Verification Certificates with one of the licensing authorities specified in para. 1 above.

II. Allotment of Exemption Numbers—

(1) Exemption certificates granted for the 1949 period for the following categories of assesseees will not be considered valid for the January-June 1950 licensing period—

- (a) Individuals or firms who have not been paying income-tax for the past five years.
- (b) Limited companies which were incorporated between 1st April 1948 and 31st December, 1948.
- (c) Firms or individuals in merged states, where Indian Income-tax Officers are now functioning, but where Indian Income-tax law was not in force previously.

Applicants falling in one or the other three categories detailed above will now have to approach the Chief Controller of Imports for a Registration number or a fresh Exemption number, through the Income-tax Officer of the area concerned. The period of validity of Exemption numbers so

granted will be calculated on the same principles as are laid down in respect of Registration numbers in item I (b) above. In cases, where individuals, or firms whose partners, claim to have had no assessable income from all sources during the past five years, they will be required to declare on a stamped affidavit before a magistrate or an oath commissioner this fact and forward such affidavit or affidavits through the Income-tax Officer of the area concerned, who will note down the particulars of the applicant and issue a no-objection certificate or otherwise record his remarks.

As regards the (1) Hyderabad. (2) Mysore. (3) Travancore and Cochin. (4) Rajasthan Union. (5) Madhaya Bharat. (6) Saurashtra. (7) P. E. P. S. U. (8) Vindya Pradesh. (9) Jammu and Kashmir, where Indian Income-tax Officers have not yet begun to function, the general principles laid down in the previous paragraphs cannot be brought into force simultaneously. To avoid difficulties to the trading public in these areas, the Chief Controller of Imports will re-examine the list of exemption numbers so far granted and automatically issue fresh exemption numbers to the parties concerned. Such numbers will also form a distinctive series and will be valid only upto the 30th June 1950. New firms and individuals in these areas may apply direct to the Chief Controller of Imports for exemption numbers as before, clearly indicating whether they have any income liable to Indian Income-tax outside the State area.

With regard to such Government and Semi-Government institutions and those who are not liable to income-tax under Section 4 (8) of the Indian Income-tax Act, applications for exemption numbers should be made to the Chief Controller of Imports as heretofore.

Review of General exemptions which were previously granted to certain categories of applicants for import licences.

It has also been decided that the concessions previously granted exempting the following categories should be withdrawn:—

- (1) Applications below Rs. 5,000.
- (2) displaced persons or firms who had their previous business in what is now Pakistan; and
- (3) applications for import of Capital Goods and Heavy Electric Plants.

Such applicants for import licences will be required to apply through the Income Tax Officer of the area concerned for registration or exemption number.

NOTE.—(a) It has, however, been decided that applications for export licences for export to hard currency areas will be taken into consideration and sanctioned if otherwise eligible irrespective of whether the applicant has lodged his income-tax verification certificate or not.

(b) On the import side, the production of income-tax registration numbers will not be insisted upon in the following cases:—

- (i) for import of personal belongings of small values;
- (ii) unsolicited gifts of small values where no exchange remittance is involved; and
- (iii) goods required for actual use in educational or charitable institutions, which are exempted from Indian Income-tax.

(c) The existing arrangements in regard to new firms started after 1st January 1949 will continue. This would mean that in so far as shareholders or partners of a private limited or partnership firm are concerned,

they would be asked to produce their individual Income-tax Verification Certificates or the affidavits as the case may be for the purpose of allotment of a No. in the name of the newly started concern.

FORM OF CERTIFICATE OF INCOME-TAX ASSESSMENT TO BE PRODUCED BY AN APPLICANT FOR IMPORT AND EXPORT LICENCE.

1. Name and business address of the applicant.
2. Year in which the business was established.
3. Name and address in which the applicant is assessed to Income-tax as:—

 - (i) Below Rs. 100
 - (ii) Between Rs. 100 and Rs. 500
 - (iii) Between Rs. 500 and Rs. 1,000
 - (iv) Between Rs. 1,000 and Rs. 5,000
 - (v) Between Rs. 5,000 and Rs. 10,000
 - (vi) Above Rs. 10,000.

NOTE.—The above entries may be completed also in the cases of firms registered under Income-tax Act with reference to the tax payable by the firm if assessed as an unregistered firm.

7. In case no final assessment has been made, it should be stated whether tax paid in advance (or payable) on the basis of returns filed under Section 22 (1) or (2) (B) 18A (3) of the Income Tax Act was:—

- (i) Below Rs. 100
- (ii) Between Rs. 100 and Rs. 500
- (iii) Between Rs. 500 and Rs. 1,000

Unauthorised Importation—Warning of.

MINISTRY OF COMMERCE, PRESS NOTE REGARDING UNAUTHORISED IMPORTS,
DATED 16TH JULY 1948.

The Government of India has decided to subject unauthorized imports (those not covered by general or specific licence) to severer penalties than hitherto in respect of goods covered by Parts II, III, IV and V of the Import Trade Control Schedule. The following briefly is the procedure proposed forthwith to be followed:

Cases regarding unauthorized imports will be finally dealt with by the Customs authority at the ports of Madras, Bombay and Calcutta.

In cases where importers claim to have import licences to cover the goods imported but are unable to produce these licences owing to simultaneous arrival of goods on a single licence at different ports, clearance permit may be granted on the importers executing bonds, or letters of guarantee, acceptable to the Collector of Customs in their discretion.

Regarding unauthorized imports from soft currency countries, the goods will be confiscated with or without the option of payment of fine in lieu. For the second and subsequent offences by the same party, the fine will be progressively increased. Imports of goods on the prohibited list will however be confiscated without option of redemption.

In respect of goods originating in or consigned from dollar and hard currency areas, all unauthorized imports, including goods imported in excess of value of licences granted, will be confiscated without the option of redemption. In respect of items of machinery, however, excess imports over the value of licences will not be absolutely confiscated but will be treated in the same way as unauthorized imports from soft currency sources and dealt with accordingly. Where goods are ordered to be confiscated or allowed release on payment of penalty, importers will be given the option of re-exporting the goods within 3 months from the date of import on payment of a suitable penalty under certain conditions.

At certain ports, Customs clearance permits have in the past been issued for goods which are authorized to be released after payment of penalties. Customs clearance permits will not hereafter be necessary and are not to be issued unless specifically required by importers. If any permit is issued, it will be with the concurrence of the Reserve Bank of India.

No payments will be permitted ordinarily to exporters abroad in respect of unauthorized importation, and any amount which an importer might have to pay to such an exporter will be required to be paid into the blocked account in his name in the Reserve Bank of India.

Repeated contravention of the Import Trade Control Regulations by individual importers or associated firms will be severely dealt with. In addition to the penalties imposed on such firms for specific imports, the firms are likely to be debarred from obtaining further licences.

APPENDIX E—contd.

Importers are requested to observe the Import Trade Control Regulations carefully. In particular, they are warned that unauthorised imports from dollar and hard currency areas will be confiscated without the option of redemption.

NOTE:—

1. Applicants should fill in all the items in the application to avoid correspondence and delay in the disposal of their application. The Licensing authorities have discretion to reject an application if the application is not complete in all respects.

2. Documentary evidence as asked for should be sent along with the application.

3. Any special reasons in support of the application may, if necessary, be explained in a covering letter attached to the application.

4. Any applicant supplying false or incorrect information may be liable to have his licence cancelled and in addition may be debarred from the grant of any import licence in future.

APPENDIX G

(The following rules should be carefully observed by applicants to ensure that their applications receive proper and prompt attention.)

1. All the information required in the application form should be furnished in a legible manner.

2. With regard to correct classification of the goods, specially with a view to find out whether the goods were, or are, in Open General Licence or not, Collectors of Customs at the ports may be consulted.

3. Full description with complete details and end use of the goods should be furnished. If possible, descriptive literature and catalogues should also be sent.

4. (a) One application should be made for import of goods falling under each serial number of the Import Trade Control Schedule, if for import from one group of countries.

(b) Where one Serial Number covers a number of different articles, the applicant should give a list of articles which he desires to import. In case of spare parts of an article, a detailed list of spare parts desired to be imported should be given.

(c) Where the goods are to be imported from different groups of countries, separate applications should be made. In case of imports from different countries in the same group, details of imports desired from each country should be shown preferably in a sheet attached to the same application. However there is

APPENDIX G—*contd.*

no objection to a batch of applications being made simultaneously giving cross-reference as in each to the other applications made. Importers should not submit separate applications for import of the same articles from different groups of countries on basis of past imports taking different basic years, i.e., if the article is licensable on quota basis both from dollar and hard currency countries the applicant should not submit two applications, one for import from U. S. A. showing past imports made from that country during 1945-46 and another application for imports from Germany and/or Belgium showing past imports made from dollar sources during 1947-48 or any other basic year.

- (d) Where the goods are to be imported at more than one port, the value of goods desired to be imported at different ports should be given separately.
 5. (a) Actual consumers, i.e., those who require the goods for use as industrial raw materials or accessories should produce a certificate from the Director of Industries of the Province in which their factory is situated or from the Development Officer or the D.G.I. & S., New Delhi, to show their past annual consumption of the goods required and their manufacturing capacity.
 - (b) Where the firm has been only newly started and has no past annual consumption the certificate should show probable requirements and the basis on which they have been estimated.
6. Figures of past imports should be for any one of the financial years 1937-38 to 1948-49 in which the firm may happen to have the best imports from all sources taken together, or from the particular group of countries, as the case may be, as required in the public notice. With regard to the evidence of such imports, quota certificates were issued during July-December 1948 or January-June 1949 by all the licensing authorities and these may be enclosed, except where imports in 1948-49 are desired to be taken as the basis for the calculation of the quota. Unauthorised imports i.e. imports made without valid licence (Special or Open General Licence) should not be included in the statement. Where a quota certificate had not been obtained or for any reason it is desired that imports of any other year than the one for which the quota certificate was issued be taken into account, Triplicate copies of the Customs Bills of Entry for Home Consumption should be produced in proof of the import: Where these Bills of Entry are not available, invoices supported by Customs Receipts and Bank drafts may be produced. In the absence of these documents, a certificate from a Registered or Chartered Accountant in the form annexed herewith may be produced.
7. Where the goods are required for importation from dollar or hard currency countries full justification for such imports should be given. It should be stated whether any efforts were made to import the goods from any soft currency country and if so, what they were and with what results.
8. The Income-tax Verification Certificate as prescribed in the Public Notice, dated the 9th February 1950 should be furnished and the Registration No. or Exemption Registration No. allotted should be quoted.
9. New Comers who have not imported the goods in any year between 1937-38 to 1948-49 inclusive should furnish a Bank Certificate or copies thereof duly certified by a Magistrate or other Gazetted Officer of Government, or a Chartered or Registered Accountant.

APPENDIX G—*contd.*

10. It should be noted that licences are not transferable and any person selling the licence or violating any of the conditions subject to which a licence is given is liable to prosecution and also to be debarred from issue of further licences.

11. Applications for licences should be signed by the proprietor, partner, managing director of the firm or by any person duly authorised to sign any legal declarations on behalf of the firm. The position held by the person signing the application should be clearly stated.

Instructions to Auditors.

1. The value of imports should be collected from Bills of Entry and should be the same as mentioned in Column No. 7 thereof (Real value).
2. In the case of imports by parcel post, importation should be verified by reference to the postal vouchers and postal stamp marking on the consignment.
3. For the purpose of calculating total imports during a financial year, the date of importation should be taken as the date in the oval stamps that are affixed to the triplicate copies of Customs Bills of entry for Home Consumption. In the case of postal parcels the date assigned to the way bill by the Post Office should be regarded as the date of importation.
4. Figures of imports of the articles concerned made in contravention of the Import Trade Control Regulations, i.e., without valid import licence where necessary should not be included as no credit can be given for this in the calculation of quotas.

APPENDIX H

Instructions regarding the enhancement in the value of licences issued before devaluation

GOVERNMENT OF INDIA, MINISTRY OF COMMERCE, PUBLIC NOTICE No. 1(32)-ITC/49, DATED THE 30TH DECEMBER 1949.

Since devaluation, various requests have been received for the enhancement of the licences issued before devaluation particularly the licences issued for imports from dollar areas, so as to compensate for devaluation.

2. On the 22nd of September, a Press Note was issued and this was followed up by instructions providing for the following:—

The enhancement of the value of the licences is to be allowed where this is inescapable *i.e.* in order to accommodate (a) shipments made before devaluation, which were authorised shipments, *i.e.*, within the rupee value of the licence on the rate of exchange before devaluation or (b) shipment whose c.i.f. value in dollars or other foreign exchange was covered by letters of credit opened before devaluation.

It has now been decided that enhancement of the value of the licence will be permitted by Import Trade Controllers, as explained below which will constitute a further relief. They are authorised to grant enhancement even in the value of licences issued by the CCT's organisation, New Delhi.

(1) Enhancement will be admissible only in respect of licences issued before 20th September. The only exceptions to this will be action taken in accordance with the procedure that existed even before devaluation under which the licensing authority, could on being satisfied that an increase in price had made it impossible for the holder of a licence for Capital Goods, H.E.P., or other machinery for one unit or an essential small number of units, to keep within the value of the licence without defeating the purpose for which the licence had been granted, to grant such increase as is inescapable. Action would thus be taken to enhance the value of a licence issued even after 20th September, when the licence is for one plant or essential machinery for one scheme. In other cases of licences issued on or after 20th September 1949 the importer who obviously could not have placed a firm order before devaluation will have to restrict his imports to the rupee value of the licence as issued. An exception will not be made even in the case of raw-materials for actual users, since such users can apply for the balance of their requirements in the ordinary way in the new licensing period shortly to commence.

(2) Only those cases will be considered in which there is a specific request for such enhancement. Only the portion unutilised before the 20th September 1949, as judged from the Customs copy is eligible for enhancement.

(3) The enhancement to be allowed will not exceed (a) the enhancement in value that is applied for, or (b) the percentage necessary to compensate for devaluation after taking into account the devaluation if any of the currency of the country from which the import is to be made, applied to the unutilised portion as disclosed by the Customs copy of the licence, *whichever is less*. This percentage is different for different countries or groups of countries, because certain countries have devalued

APPENDIX—H (contd.)

partially where others have not at all devalued their currency. Enhancement will be allowed in all such cases up to the limits indicated in paras. 2 and 3 excepting in respect of licences issued for import from Japan. In such cases no enhancement will be allowed.

(4) Normally the amended licence of increased value will be valid only for the period of the validity of the original licence. The import Trade Controllers, Madras, Bombay, and Calcutta may however permit amendments, increasing the value as indicated above *and also extension* of the validity of the licence for a period not beyond 28th February 1950 in respect of licences whose validity expired or is due to expire after the 20th September 1949, and before the 11th January 1950, considers that there are circumstances justifying this.

(5) In certain cases *quota licences* e.g., on Switzerland were issued after devaluation. Under these instructions increases will be allowed in the case of those whose licences were issued before the 20th September, 1949 *but not in other cases*. It is appreciated that this may affect different importers differently. But it is nevertheless not considered possible to allow any increase in the licences issued on or after the 20th September, 1949.

(6) The enhancement of value granted in accordance with these instructions will be deemed to have retrospective effect as from the 20th September 1949 and Customs authorities will be requested to remit penalties that may have been levied for imports of excess value to the extent that they are now regularised under these instructions.

APPENDIX J

Instructions regarding licensing of Caustic Soda and Soda Ash

MINISTRY OF COMMERCE, PUBLIC NOTICE, NEW DELHI, DATED THE 18TH DECEMBER 1949.

It has been decided that licences for import of Caustic Soda and of light Soda Ash should be granted for import during Jan-June 1950. Licences will be issued for imports from soft currency countries only, subject to the following conditions:—

(a) The maximum c.i.f. and maximum selling prices of Caustic Soda and Soda Ash imported under the licence should be more than the prices mentioned below.

Maximum		Maximum	
C.I.F. Prices Indian Port.		Selling Prices.	
Soda Ash			
Solid . .	Rs. 380 per ton.	Rs. 640 per ton.	
Flake . .	Rs. 425 „ „	Rs. 710 „ „	
Powder. .	Rs. 415 „ „	Rs. 700 „ „	
Light. .	Rs. 185 „ „	Rs. 320 „ „	

APPENDIX—J (*contd.*).

In the case of Caustic Soda Licences it will be a further condition that imports of solid caustic soda may not exceed half the value of the license. The balance quantity to be imported should be in flake and in powder.

(b) Licences will be granted on a quota based on the imports of the two complete financial years 1947-48 and 1948-49 taken together.

(c) Licence will be provisional and will be liable to be cancelled, if the licence holder does not get it confirmed within one month of the date of issue by the production of a definite acceptance from the suppliers of the order at a price not exceeding the maximum c.i.f. price indicated above.

2. Applications for import licences from established importers should reach the Office of the Chief Controller of Imports on or before the 10th January 1950, with Bills of Entries etc. in support of imports from all countries during two years ending 31st March 1949. No application will be entertained from either new comers or actual users of the article who have no past imports.

3. The form of application has been prescribed in Appendix G of the Ministry of Commerce, Public Notice, dated the 12th September 1949 published in the Gazette of India Extraordinary, dated the 13th September 1949 and application forms cannot be supplied by this office. Except on points specially covered by the above paragraphs the principles stated in that Public Notice e.g. as regards Income-tax Verification Certificates will apply to the Licensing of the items covered by this Notice.

4. Separate arrangements have been made for the importation of about 20,000 tons of Magadi Soda Ash by the Imperial Chemical Industries who are sole importers of this commodity from East Africa.

 Digitalis and active principles of Digitalis excluding Tincture Digitalis; also Digitaloids.
 Diiodo or Dichloro or Idochloro Hydroxy quinoline.
 Emetine Hydrochloride.
 Enzymes and preparations thereof including digestive elixirs.
 Ergot and its alkaloids excluding Ext: Ergot Liquid.
 Ext. Filicis Liquid.
 Extract of Malt excluding preparations containing malt.
 Fluoresceine Soluble.
 Gentian Violet.
 Glandular preparations and Hormones excluding Extract.

APPENDIX—M (*contd.*)

- Pituitary liquid and Liquor Adrenaline.
Glyceryl Trinitrate.
Hexamine Preparations.
Antihistaminic drugs.
Homotropine Hydrobromide.
Hydantoin and its derivatives.
Hydrochloride of Lbutyloxycinchoninim acid diethylethylene diamide (Nupercaine, etc.)
Insulin and Insulin Protamine Zinc.
Idophthaleinum.
Iodoxyl Ipecacuanhae excluding Extract Ipecac Liquid and Pulvis Ipecas et Opii.
Liquor Hydrogen Peroxide.
Lobeline Tysoamin-Nicotinylamino-diaphenyle-thane Phenobarbital.
Magnesium trisilicate excluding preparations thereof.
Magnesium Hydroxide excluding preparations thereof.
Menthol excluding preparations thereof.
Mercurochrome.
Mersalyl.
Methural-Dioxymethyl Carbamide.
Methyl Sulphonol.
Neoarsphenamine and Sulpharsphenamine and analogous products.
Nikethamide (Anacardone, Coramine, etc.).
Nitrous Oxide.
Paramino Salicylic Acid and its salts.
Ol Theobromatis.
Paraldehyde.
Pentothal Sodium.
Pituitary (Posterior lobe) excluding Extract Pituitary Liquid.
Phenacetin excluding preparations thereof.
Phenolphthalein.
Physostigmine Salicylas.
Pilocarpine and its salts.
Potassium Chloras.
Potassium Iodide.
Proflavine.
Procaine Hydrochloride.
Pyridacil-Phenylazo-diamino-pyridine hydrochloride.
Quindine Sulphas.
Resorcinol excluding lotions.
Salol.
Sera, Vaccines, Toxins, Antitoxins, etc., excluding Cholera.
Vaccine, T. A. B. Vaccine, Antirabic Vaccine, B. C. G. Vaccine and Antivenom Serum.
Sulphone group of drugs for the treatment of Leprosy.
Thiouracil and its alkyl Derivatives.

APPENDIX—M (*contd.*)

Tuberculin.

Sodii Salicylas excluding preparations thereof.

Stibophenum.

Sulpha drugs.

Suramin.

Tetrachloroethylene.

Theobromine et Sodii Salicylas.

Theoohylline-cum Ethylenediamine.

Thiodiphenylamine.

Trypan Blue.

Tryparsamide.

Urea.

Vitamins and vitamin preparations in tablet, liquid, injectible or capsule form including Folic acid and its preparations and excluding Cod Liver Oil and other Fish Liver Oils.

(iii) *List of drugs and medicines and pharmaceutical chemicals falling under Serial Nos. 87, 109 and 110 of Part IV and 22 and 31 of Part V which will be licensed for imports from Soft Currency Countries:—*

The following drugs and medicines either in their pure form or preparations thereof containing one or more of the specified item in prophylactic or therapeutic quantities except where otherwise specified but excluding all B. P. tincture and liquors:—

Acid Acetylsalicylic excluding preparations thereof.

Acid Anthranilic Tech. excluding preparations thereof.

Acid Boric in bulk.

Acid Benzoic B. P. and Benzoates excluding preparations thereof.

Acid Diethyl Barbituric excluding preparations thereof.

Acid Gluconic Tech. excluding preparations thereof.

Acid Glycerophosphoric excluding preparations thereof.

Acid Mandelic.

Acid Salicylic excluding preparations thereof.

Acridines.

Acetylcholine excluding preparations thereof.

Acetanilide Tech. excluding preparations thereof.

Acid Tartaric B. P. excluding preparations thereof.

Adrenaline excluding preparations thereof.

Adrenaline hydrochloride excluding liquor and other preparations thereof.

Aethyl Morphine Hydrochloride.

Aethyl chloride.

Agar excluding emulsions.

Aluminium chloride anhydrous excluding preparations thereof.

Aluminium Hydroxide excluding preparations thereof.

Aletris root excluding preparations thereof.

Ammonium carbonate.

Amidopyrine B. P. excluding preparations thereof.

Amino Acids.

Amphetamine and Alkyl Derivatives of Amphetamine.

Amyl, Acetate.

APPENDIX—M (*contd.*)

Anaesthetics surface, regional and general including Chloroform but excluding preparations thereof.
Angelica Seed-excluding preparations thereof.
Antimonii et Soddi Tartras excluding preparations thereof.
Antrypol (Suramin).
Amylocaine Hydrochlor.
Anti-Histaminic Drugs.
Anthraquinone B. P. excluding preparations thereof.
Apomorphine Hydrochloride.
Arsenic Trioxide excluding liquors.
Argenti Protein Miti.
Atropine Sulphate and other Belladonna alkaloids.
Atropine excluding preparations thereof.
Raw material for Ayurvedic and Unani medicines.
B. A. L. (Dimercaptolpropinol).
Barbitone soluble B. P. excluding preparations thereof.
Barium Carbonate.
Barium Sulphate for X-ray examination.
Barbiturates.
Benzyl Benzoate.
Benzene Hexachloride.
Benzoin excluding tinctures.
Bile acids.
Bismuth carbonate.
Bismuth Salicylate excluding preparations thereof.
Bismuth Tribromophenates excluding preparations thereof.
Bismuth Oxide excluding preparations thereof.
Bismuth Oxychloride excluding preparations thereof.
Black cohosh root excluding preparations thereof.
Blaud Pill.
Blood Plasma.
Borates excluding preparations thereof.
Brilliant Green.
Bromethol.
Bromo-iso-valeryl Carbamide excluding preparations thereof.
Broom tops excluding preparations thereof.
Butes root.
Cadmium Bromide excluding preparations thereof.
Cadmium Salicylate and its preparations.
Calcium gluconate excluding tablets and ampoules.
Calcium-glucono-galacto gluconate.
Calcium Colloidal preparations for Parenteral use.
Calcium levulinate excluding preparations thereof.
Calcium Saccharate excluding preparations thereof.
Calcium Glycerophosphate excluding preparations thereof.
Carbasone.
Carbon tetrachloride.

APPENDIX—M (*contd.*)

Calomel B. P. excluding preparations thereof.
Carbachol.
Carbromal.
Calumba.
Cascara Sagrada excluding extract cascara sagrada.
Carbazole excluding preparations thereof.
Carbon Disulphide Tech. excluding preparations thereof.
Catechol Tech.
Chiniofonum.
Chloral hydrate excluding preparations thereof.
Chlorobutol.
Chrysarobin and Dithranol.
Chlorphyll excluding preparations thereof.
P-Chlorometaxylenol or cresantol 15 excluding preparations thereof.
Choline excluding preparations thereof.
Copper Citrate and its preparations.
Cocaine Hydrochloride.
Colchicine.
Citric Acid.
Cresol excluding preparations thereof.
Creosote from wood.
Dental anaesthetics.
Diodone.
Diphenan.
Dischlorophenarsen excluding preparations thereof.
Digitalis and active principles of digitalis.
Dimethionine.
Diiodo or Dichloro or Iodochloro Hydroxy Quinoline.
Diquinolylurea Dimethosulphate.
Emetine Hydrochloride.
Enzymes.
Ergot and its alkaloids excluding extract ergot liquid.
Ethanalamine excluding preparation thereof.
Extract of Red Bone Marrow.
Extract of Male Fern.
Extract Filicis Liquid.
Ferri Glycerophosphate excluding preparations thereof.
Fluoresceine soluble.
Formalin.
Gentian Violet.
Glandular preparations and Hormones excluding extract pituitary liquid and liquor adrenalinae.
Glycerophosphates excluding preparations thereof.
Glyceryl Trinitrate.
Heparin.
Hexamine.
Hexachloroethane.

APPENDIX—M (*contd.*)

Histidine.
Anti histaminic drugs.
Homatropine hydrobromide.
Homoeopathic medicines.
Hydantoin and its derivatives; Their Preparations.
Hyoscine Hydrobromide excluding preparations thereof.
Hypophosphites excluding preparations thereof.
Hydrocarpus esters.
Hydrogen peroxide.
Hydrochloride of abutyloxycinchomonic acid diethylethylene.
diamide (Percaine, Nupercaine).
Insulin all forms*.
Idophthalcinum.
Iodo Dihydroxipropene (Alival).
Iodoxyl.
Ipecacuanha (excluding extract Ipecac liq and Pulvis Ipecac Opii).
Lactose excluding preparations thereof.
Leptazol.
Lecithin excluding preparations thereof.
Lithium Citrate.
Liver Extract (Inject).
Lobeline.
Magnesium Oxide.
Magnesium Hydroxide excluding preparations thereof.
Magnesium peroxide excluding preparations thereof.
Magnesium Trisilicate excluding preparations thereof.
Medical contraceptives.
Mercurochrome.
Mercury Ammoniated excluding preparations thereof.
Mercuric Oxide excluding preparations thereof.
Mercuric Chloride excluding preparations thereof.
Mercurous Chloride excluding preparations thereof.
Methionine excluding preparations thereof.
Methyl Chloride.
Methyl Salicylate excluding preparations thereof.
Methyl Testosterone excluding preparations thereof.
Methylsulphonal.
Mersalyl.
Menthol-Racemic excluding preparations thereof.
Menthol excluding preparations thereof.
Neoarsphenamine, Sulpharsphenamine and analogous arsenical
products.
Nikethamide (Anacardone, Coramine etc.).
Nitrous Oxide.
Noviform and its preparations.
Organic Antimony Compounds excluding Urea Stibamine.

APPENDIX—M (*contd.*)

Organic Arsenic Compounds excluding Carbarsone.
Oxyquinoline Pot. Sulphate excluding preparations thereof.
Para Amino Salicylic Acid and its Salts*.
Paraldehyde.
Paraffin Liquid.
Paraffin Molle.
Paraffin Hard.
Penicillin and its preparations¹
Pepsin.
Pethidine Hydrochloride B. P.
Pentothal Sodium.
Phenothiazine.
Phenobarbital excluding preparations thereof.
Phenobaritone Soluble B. P. excluding preparations thereof.
Phenazonum B. P. excluding preparations thereof.
Phenol excluding preparations thereof.
Phenolphthalein.
Phenylmercuric Acetate.
Phenylmercuric Nitrate.
Phenytoin Sodium.
Phenacetine excluding preparations thereof.
Physostigmine Salicylate.
Pilocarpine Chloride and its preparations
Potassium Bicarbonate B. P.
Potassium Iodide B. P.
Potassium Guaiaco Sulphonate excluding preparations thereof.
Potassium Thiocyanate excluding preparations thereof.
Proflavine.
Procaine Hydrochloride.
Propylpara-hydroxy Benzoate excluding preparations thereof.
Quinine and Quinine Salts.
Quinidine Sulphate.
Quinoline excluding preparations thereof.
Resorcinol excluding preparations thereof.
Russells' Viper Venom excluding anti-venom serum.
Isaline and other trans Fusion Solutions in Bulk packing for
Intervenous use.
Salol.
Sera and Vaccines Toxins, antitoxins etc. (excluding Cholera
Vaccine, T. A. B. Vaccine, Anti-rabic Vaccine, B. C. G.
Vaccine and anti-Venom Serum).
Sodium Bicarbonate B. P.
Sulphur Dioxide.
Sodium Pentonucleotide.
Sodium Salicylate excluding preparations thereof.
Sonalgin.

APPENDIX—M (concl'd.)

Sulpha Drugs* including tablets.
Sodium Thiopentone.
Sodium Cacodylate excluding preparations thereof.
Sodium Perborate excluding preparations thereof.
Strophanthin.
Stibophene.
Streptomycin and its salts*.
Sulphur Chloride B. P. C. excluding preparations thereof.
Terpene Hydrate.
Tetrachlorethylene excluding preparations thereof.
Tetraethylthiuram Monosulphide.
Theobromine Salicylate excluding preparations thereof.
Theobromine.
Theophyllin cum Ethylenediamine.
Thouracil and its alkyl Derivatives.
Tridione.
Thyroid.
Transfusion Solution of Saline and Glucose.
Trypan Blue.
Tryparsamide.
Tuberculin.
Tubocurarine Chloride.
Urea.
Vitamins and Vitamins preparations in tablets, Liquid, injectible of Capsule form but excluding Cod Liver Oil and other Fish-liver Oils*.
Xeroform and its preparations.
Zinc Carbonate.

N.B.—Applications for items marked asterisks will be considered from Foreign manufacturers or their accredited agents only. For other articles licences will be granted to established importers on quota basis.

(I) LIST OF CHEMICAL FALLING UNDER S. No. 110 OF PART IV AND S. NOS. 22, 29 AND 31 OF PART V OF THE IMPORT TRADE CONTROL SCHEDULE, WHICH ONLY WILL BE ALLOWED TO BE IMPORTED DURING JANUARY-JUNE 1950, FROM DOLLAR AREA, WESTERN GERMANY, BELGIUM, SWITZERLAND AND OTHER HARD CURRENCY COUNTRIES EXCLUDING JAPAN:—

1. Acetic Acid.
2. Aluminium Floride.
3. Amylacetate.
4. Aromatic Chemicals.
5. Arsenic Oxide.
6. Borax.
7. Butyl Acetate.
8. Cadmium Sulphite.

APPENDIX—N (contd.)

9. Calcium Dihydrogen Phosphate.
10. Cryolite.
11. Diacetone Alcohol.
12. Freon (Dichloro-Difluoro-Methane).
13. Hyflo super cel.
14. Laboratory Chemicals (Chemically pure reagent and research chemicals).
15. Magnesium insulating materials (excluding Magnesium Carbonate-light).
16. Methyl Ethyl Ketone.
17. Phenol.
18. Phosphorous.
19. Potassium Carbonate.
20. Potassium Ferrocyanide.
21. Potassium Hydroxide.
22. Selenium metal.
23. Special types of accelerators, softeners & antioxidants.
24. Synthetic chemicals for dyestuff manufacture not available in soft-currency areas.
25. Thorium Nitrate.

NOTE.—If any chemicals other than those listed above are required by any industrial consumers or by established importers against an order from the industrial consumers, applications will be considered if full justification is given in detail for the necessity of such imports.

- (II) LIST OF CHEMICALS FALLING UNDER S. NO. 110 OF PART IV AND S. NOS. 22, 29 AND 31 OF PART V OF THE IMPORT TRADE CONTROL SCHEDULE, WHICH WILL NOT BE ALLOWED TO BE IMPORTED DURING JANUARY-JUNE 1950 FROM SOFT CURRENCY COUNTRIES:—

Alum.
 Aluminium Sulphate (Ferric).
 Bichromates (Sodium and Potassium).
 Benzene.
 Calcium Chloride.
 Co 2 Gas (Carbon Dioxide).
 Chrome Alum, Potash.
 Chrome Salts and Chromic Acid.
 Ferrous Sulphate.
 Glycerine.
 Hydrochloric Acid.
 Hydro Quinone.
 Lime Sulphur Solution.
 Lead Nitrate.
 Magnesium Sulphate (Epson Salt).
 Magnesium Chloride.
 Magnesium Carbonate (Heavy).
 Nitric Acid.

59. Butyl Acetate.
60. Amyl Acetate.
61. Butyl Alcohol.
62. Methyl Ethyl Ketone.
63. Di-Butyl Phthalate.
64. Tricresyl Phosphate.
65. Butyl Tartrate.
66. Harmless food colours.
67. Artist's water and oil colours.

APPENDIX Q

LIST OF ARTICLES FALLING UNDER S. NOS. 92, 93 AND 94 OF PART V OF THE I.T.C. SCHEDULE FOR WHICH NO LICENCES WILL BE GRANTED FOR IMPORTS FROM ANY SOURCE:—

- Goggles.
- Sunglasses.
- Glare Glasses.
- Green Lenses.
- Spectacle frames other than metallic.
- Mathematical Instruments.
- Geometry Boxes used in schools.

APPENDIX R

Non-ferrous metals—Validity of import licences

GOVERNMENT OF INDIA, MINISTRY OF COMMERCE, PUBLIC NOTICE No. 1(29)-ITC/49, DATED THE 1ST DECEMBER, 1949, REGARDING VALIDITY OF IMPORT LICENCES FOR NON-FERROUS METALS ISSUED FOR THE SHIPPING PERIOD JULY-DECEMBER, 1949.

Import licences for non-ferrous metals falling under serial Nos. 41 to 52 of Part 1 of the Import Control Schedule, issued by this office for the shipping period July-December, 1949 on or after 1st September, 1949 will stand automatically valid *upto 31st March, 1950*.

These licences and licences issued on a date earlier than 1st September 1949 will not, however, be revalidated for any further period and applicants who have not been able to utilise them in full must in the usual course apply for licences in the January-June, 1950 period.

APPENDIX 'S

Imports from Japan

GOVERNMENT OF INDIA, MINISTRY OF COMMERCE, PUBLIC NOTICE No. 1-30 (ITC)/49, DATED THE 16TH DECEMBER 1949, REGARDING IMPORTS OF VIRGIN METALS FROM JAPAN.

(I) Applications are invited for licences for import of Virgin metals such as Copper, Lead and Zinc and non-ferrous metal Scraps (falling

APPENDIX—S (contd.)

under Part I of the I.T.C. Schedule), from Japan, from actual users and established importers only for January-June, 1950 period.

2. Actual users should submit along with their applications details of their manufacturing activities and figures of their consumption of the metal concerned during the years 1948 and 1949 and also estimates of consumption during the first half of 1950. Applications from actual users should preferably be supported by certificates from the Provincial Director of Industries about their manufacturing activities and estimates of consumption. When such a certificate from the Director General of Industry & Supply, New Delhi, is furnished, none from the Provincial Director of Industries need be forwarded.

3. Licences issued on Japan will be valid up to 30th June 1950. No revalidation of these licences will be permitted.

4. As regards established importers, they should furnish figures of past imports during any one financial year which they may choose, between the years 1937-38 to 1948-49, supported by necessary documentary evidence.

5. Subject to what is stated above, the general conditions embodied in the Commerce Ministry Public Notice of the 12th September, 1949, laying down the principles governing the issue of import licences for July-December, 1949 period would be applicable in respect of these cases.

6. The last date for the receipt of all applications will be 25th January, 1950.

7. The general Public Notice regarding applications for non-ferrous metals from all sources will be published separately.

(II) No. 1(4)-ITC/50, DATED THE 17TH JANUARY, 1950.

Applications for imports from Japan of Industrial Machinery and Heavy Electrical Equipments as listed below and their spares will be considered by the Chief Controller of Imports, New Delhi in accordance with the Indo-Japan Trade Plan for licensing during January-June 1950 period:—

1. Steam Engines and parts,
2. Gas Engines and parts.
3. Control and Switch gear—22 KV and over.
4. Generators,
5. Alternators and Dynamos,
6. Electric Motors of 50 H.P. and over,
7. Transformers of 1000 KV and above,
8. Bushings for Transformers & High Tension Insulators,
9. Turbo generating sets,
10. Tractors and parts,
11. Plough and parts,
12. Boilers,
13. Boot and shoe making machinery,
14. Leather tanning and curing machinery,
15. Mining machinery,
16. Paper mill machinery (other than those manufactured in India),

APPENDIX—S (concl'd.).

17. Power driven pumps other than centrifugal pumps,
18. Saw mill and wood working machinery,
19. Knitting machines and parts,
20. Parts of sewing machines,
21. Cotton textile machinery and mill stores (other than bobbins, pirns, pickers, picking sticks, roller skins, picking bands, buffers, cardcans, ring frames, healds and reeds, shuttles and other items manufactured in India),
22. Wool machinery,
23. Automatic looms and cottage industry machineries.
24. Rolling mills,
25. Spare parts of Diesel engines and
26. Printing machinery.

2. Applications should be made in the form and manner prescribed in the Commerce Ministry Public Notice, dated the 12th September 1949, to the Chief Controller of Imports, New Delhi. Applications should be accompanied by the requisite Treasury Challan for the fees prescribed in the Commerce Ministry Notification, dated the 31st December 1949.

3. For Dyes and Woollen yarn applications should be made after the announcement of the general licensing policy for January-June 1950.

4. A separate Public Notice about import of non-ferrous metals from Japan has already been issued wherein applications were invited by 25th January, 1950.

APPENDIX T

Import of Coconut oil from Soft Currency Area

GOVERNMENT OF INDIA, MINISTRY OF COMMERCE, PUBLIC NOTICE No. 14(2)-ITC/50, NEW DELHI, THE 13TH JANUARY, 1950, REGARDING IMPORT OF COCONUT OIL FROM SOFT CURRENCY AREA DURING THE LICENSING PERIOD JANUARY-JUNE 1950.

In anticipation of the announcement of Government's general import licensing policy for the period January-June 1950, it has been decided to make an immediate issue of licences for coconut oil from Soft Currency Countries in respect of that period to industrial consumers of that commodity. The question of inviting applications from established importers will be considered at a later date.

2. Actual Users of coconut oil should therefore apply at once to the Chief Controller of Imports, New Delhi, in the form and manner prescribed in the Commerce Ministry Public Notice, dated the 12th September 1949. Applications must be accompanied with the requisite Treasury Challan for the fees prescribed in the Commerce Ministry Notification, dated the 31st December 1949.

APPENDIX V

Import of Newsprint

GOVERNMENT OF INDIA, MINISTRY OF COMMERCE, PUBLIC NOTICE, No. 1(2)-ITC/50, DATED THE 11TH JANUARY 1950.

Applications for the period January-June, 1950 for licences for import of Newsprint from soft currency countries only will be entertained by the Chief Controller of Imports. Only applications from (i) Actual Users (Newspapers etc.) and (ii) Established Importers, in the Prescribed Form (reference Commerce Ministry's Public Notice No. 1(23)-ITC/49) and accompanied by the Treasury Challan showing deposit of the prescribed fee at a Government Treasury will be considered. Applications from Established Importers should reach the Chief Controller of Imports, New Delhi on or before the 15th February 1950.

Established Importers should produce alongwith their applications documentary evidence in support of their past imports during any one complete financial year (1st April to the 31st March of the twelve years 1937-38 to 1948-49.) The quota licences will be issued after the last date for receipt of such applications.

Newspapers who had not reported their consumption to the Government (Ministry of Industry & Supply) during the period October 1948 to April 1949 should produce alongwith their applications proof of their rate of consumption of Newsprint during the year 1949.

APPENDIX W

Imports of Tea Chest—Instructions in regard to licensing of

GOVERNMENT OF INDIA, MINISTRY OF COMMERCE, PUBLIC NOTICE No. 1 (6) ITC/50, DATED THE 21ST JANUARY 1950, REGARDING IMPORT OF TEA CHESTS.

The Government of India have decided that licences for the import of one million plywood tea chests from soft currency areas should be granted during January-June 1950 licensing period.

2. Applications for the import of these tea chests from actual users, such as owners of Tea Gardens and Tea Agency Houses, and from Established importers should be submitted so as to reach the office of the Chief Controller of Imports, New Delhi, not later than 18th February 1950 in the form and manner prescribed in the Commerce Ministry Public Notice dated the 12th September 1949 together with a Treasury Receipt about the requisite amount of fee as payable under the Rules.

3. The following points should particularly be noted:—

(1) Licences will be granted for import into the port of Calcutta or a port in South India and no licences will be granted for imports from dollar or hard currency countries, including Japan.

(2) Licences will issue for either plywood tea chests or for plywood boards in sizes suitable for tea chests. No licences will however be granted for battens.

(3) Applicants will be required to give a clear undertaking that contracts against licences issued shall be made direct with

APPENDIX—W (contd.)

the manufacturers or the shippers in the country of origin and that shipments would be made direct from that country and also to furnish evidence of contract entered into within two months of grant of a licence. No licences will be granted without such an undertaking.

- (4) Importers will be required to buy tea chests from indigenous sources to the same extent as the quantity licensed for importation as a condition for the grant of import licences. For this purpose satisfactory evidence of contracts made at any time on or after the 1st December 1949, for purchase of indigenous tea chests of approved quality from any manufacturers (regardless of management) should be furnished along with the application, or at least before the issue of the licence.
- (5) All applicants will be required to quote their registration number under the income-tax verification procedure.
- (6) Established importers should produce evidence of their past imports in the form of either bills of entries, quota certificates or auditor's certificates giving the total value of their past imports of tea chests during any one complete financial year between 1937-38 and 1948-49.
- (7) Actual users such as tea gardens or agency houses may also submit evidence of past imports wherever possible on lines stated in (6) above but should in any case furnish figures of actual consumption of tea chests during any two calendar years between 1946 and 1949.
- (8) The bulk of the licences will be issued in favour of actual users and a proportionately reduced quantity will be allotted to established importers. Actual users who are unable to make their own arrangements for importation and wish to seek the agency of established importers can apply for necessary letters of authority in favour of established importers to operate the licence.

Applications from new comers i.e., those who have not imported tea chests between the financial years 1937/38 will not be entertained.

APPENDIX X

SUBJECT:—*Procedure for receiving applications for import licences from New-comers during January-June, 1950.*

1. The Government of India have decided that applications for import licences from new-comers in the trade should be considered only in respect of items mentioned in the annexed Schedule and subject to the procedure hereafter mentioned.

2. For the purpose of this notice, new-comers in the trade are defined as persons other than:—

- (i) those who are actual consumers of raw materials which are required to be imported for their own use,
- (ii) those who have imported the commodities concerned during any financial year between 1937-38 and 1948-49 (inclusive).

NOTE:—As regards dollar and hard currency areas, if applicants have had no past imports from those areas, but have had past imports from soft currency areas, they will be treated as new-comers.

APPENDIX—X (contd.)

3. Applications will be entertained only for the articles listed in the Schedule for import from any of the countries indicated therein.

4. Separate applications should be made for goods falling under separate Serial Nos. and from different areas. Only one application should, however, be made for import of goods falling under one Serial number although importation may be desired from different countries in the same area. The quantities and value of goods desired to be imported from different countries should be shown separately in the application. A Bank certificate should be furnished in the form annexed to the application. In view of the limited exchange allocation applications from those who have not been dealing in the line or in an allied line of trade will not be considered.

5. Application should reach the licensing authorities indicated in the Schedule on or before the 30th April, 1950. Applications received after this date will not be considered. It should be noted that all New-comers applications will be considered only after 15th May 1950, and not as they are received.

6. It should be noted that generally no New-comer application will be considered for a licence unless (i) the Income Tax Registration certificate shows payment in a year of Income-Tax for amount of Rs. 500 or more, or (ii) where the applicants are exempt from producing tax-certificates (e.g., on account of their being displaced persons or firms from Pakistan etc.) the required Bank Certificates to certify that the minimum amount of annual turnover of business done by the applicants was not less than Rs. 50,000.

7. Except to the extent stated in the notice grant of import licences will be subject to the same general regulations as apply to the licences granted to established importers and others.

8. In view of the limited amounts available for issue of licence to New-comers it may not be possible to grant licences to all applicants. The decision of the Government in regard to the grant of licences will be final.

9. No single New-comer firm will be eligible to get a licence for an amount exceeding Rs. 99,999 for articles falling under one Serial number of the Import Trade Control Schedule, excepting machinery items where licences for larger values may be otherwise justified.

SCHEDULE ATTACHED TO NOTICE RELATING TO PROCEDURE FOR NEW-COMERS APPLICATIONS

(Item No. 20, Part V of I.T.C. Schedule).

Separate applications should be submitted for oils having viscosity over 90 seconds (Redwood 1 at 140°F) and oils of viscosities 90 seconds (Redwood 1 at 140°F) and less. Applications for the second category i.e., for the lighter lubricating oils of viscosities 90 seconds and less must mention the end-use giving quantities against each end-use. In order to give importers a certain amount of flexibility of programme, the licences to be issued for the light viscosity oils will not stipulate any viscosity limit, as there is no objection to importers bringing in some high viscosity oils against these licences, the object being solely to restrict the import of light viscosity oils. The licences to be issued for the other category i.e. lubricating oils with a viscosity over 90 seconds (Redwood 1 at 140°F) will contain a condition that the oils to be imported against the licences should have viscosity over 90 seconds.

2. Briefly separate applications should be submitted as follows:—

I. S. No. 8—*Part V of the Schedule*:—For Greases and Petrolatum.

II. S. No. 17—*Part V of the Schedule*:—

(i) For Transformer, Switch and Insulating oils and Medicinal Liquid Paraffin to U.S.P. and B.P. specifications.

(ii) For the remaining items.

III. S. No. 20—*Part V of the Schedule*:—

(i) For lubricating oils of viscosities over 90 seconds (Redwood 1 at 140°F).

(ii) For lubricating oils having viscosities 90 seconds and less (Redwood 1 at 140°F) giving the end-uses and quantities against each item.

APPENDIX Z .

LIST OF ARTICLES FALLING UNDER SERIAL NO. 21 OF PART II WHICH WILL NOT
ORDINARILY BE LICENSED FOR IMPORTS FROM ANY SOURCE.

V-Blocks,
Squares,
Angle and surface plates,
Plug gauges,
Vernier callipers,
Sine bars,
Parallel clamps,
Gap Gauges,
Taper Parallel gauges,
Parallel blocks,
Steel rules 4" and 6",
Hermaphrodite callipers,
Surface gauges and scribing blocks,
Universal gauges,
Steel parallels,
Combination callipers & Dividers Levels,
18" and 14" Dumphy levels with stands 14" Reversible levels,
Engineering levels,
Levelling staves,
Telescopic from 10' to 18',
Prismatic compasses,
Ghat and Rood Tracers,
Clinometer compasses,
Plane table equipment ordinary and Techometric.

APPENDIX ZA.

LIST OF ARTICLES FALLING UNDER SERIAL NO. 275 FOR WHICH NO LICENCES WILL
BE GRANTED FOR IMPORTS FROM ANY SOURCE.

Antiquecoins (other than gold or silver).
Anrils
Armlets
Brass badges
Brass bangles
Bells
Bird cages
Hand boring machines
Bottles, locks
Metal bottles
Box moulding

APPENDIX—ZA (contd.)

Brass, cash and iron boxes
Bracelets
Brass matrica
Brass pins
Canesters
Capsules
Casks
Cistern, water
Clamps
Clasps
Cleats, metal
Clips.

APPENDIX ZB

LIST OF ARTICLES FALLING UNDER SERIAL NOS. 78 AND 79 OF PART IV WHICH ONLY WILL BE LICENSED FROM SOFT CURRENCY COUNTRIES.

1. Edible gelatine.
2. Essences not containing spirit.
3. Yeast.
4. Chicorey.
5. Olive oil in bottles.
6. Ice cream cones.
7. Frozen whole egg pulp.
8. Special ghee flavour.
9. Peal barley canned or bottled.

APPENDIX ZC

LIST OF ITEMS OF MACHINERY AND MACHINE TOOLS WHICH ARE MANUFACTURED IN INDIA AND WHOSE IMPORT IS NOT ORDINARILY CONSIDERED NECESSARY. LICENCES FOR THESE MACHINERY ITEMS WILL NOT ORDINARILY BE ISSUED. WHERE ACTUAL USERS REQUIRE ANY OF THESE ITEMS FOR THEIR OWN USE OR WHERE ESTABLISHED IMPORTERS REQUIRE THEM AGAINST A DEFINITE ORDER FROM AN ACTUAL USER, THE QUESTION OF GRANTING A LICENCE CAN BE CONSIDERED PROVIDED FULL JUSTIFICATION IS GIVEN AND IT IS PROVED THAT THE INDIGENOUS MANUFACTURERS CANNOT SUPPLY THE MACHINERY.

(i) *Machine Tools*

- (a) Centre lathes up to 13" centre and all geared head lathes up to 9" centre.
- (b) Bench type and light type lathes.
- (c) Pillar type drilling machine up to 1/4" dia.
- (d) Bench drilling machine up to 3/4" dia.
- (e) Shaping machines up to 24" stroke.
- (f) Planing machines up to 6'×3'×3'.

APPENDIX—ZC (contd.)

- (g) Slotting m/c. up to 7" stroke.
- (h) Double ended Tool Grinder up to 16".
- (i) Power Hacksaw M/c. up to 9".
- (j) Lathe chucks self-centring up to 9" and independent up to 16".
- (k) Drill chucks 3-Jaw up to 1".
- (l) Power Presses up to 25 tons.
- (m) Lathe Mandrils and centres.
- (ii) Paper Cutting Machines.
- (iii) Straw Board Manufacturing Machinery.
- (iv) Treadle Printing Presses Power or Hand.
(imports from soft currency countries are covered by O.G.L. XVI).
- (v) Textile Mill Machinery mentioned below is manufactured in India:—
 - (a) *Twisting frames.*
Ring.
Uptwister.
 - (b) *Winding and Spooling machines.*
Spoolers, except automatic.
Warpers.
 - (c) *Fabric machinery.*
Looms.
Looms for cotton, linen, rayons or silk.
Non-automatic.
 - (d) *Bleaching, Dyeing and Finishing machinery.*
Bleaching machinery.
Bleaching machines.
Kiers.
Chemicking and souring machines.
Washing machines.
Squeezers.
 - (e) *Dyeing machinery.*
 - (f) *Yarn Dyeing machinery.*
Stock.
Skein.
Warp.
Package.
Beam.
 - (g) *Cloth Dyeing machinery.*
Compartment dyeing machinery.
Pad dyeing machines.
Jigg dyeing machines.
Continuous dyeing machines.

APPENDIX—ZC (contd.)

(h) *Cloth printing machinery.*

Direct color.

Developed color.

Cloth printing machinery, not elsewhere classified.

Starching machinery.

Scutchers (except flax scutchers).

Expanders.

Mangles.

Water.

Starch.

Heavy starch (Tommy Dodd).

(i) *Wet finishing machinery.*

Steaming.

Dampening.

Decating.

Tentering.

Fulling.

(j) *Cloth handling machinery*

Inspecting.

Folding.

Rolling.

Pressing.

Doubling.

Accessories and parts for textile industries machinery.

(k) *Spinning machinery and accessories.*

Spinning frames.

Spinning spindles.

Spinning rings.

Fluted rollers.

NOTE:—Licences will be granted where Textile Commissioner, Bombay certifies necessity for importation from abroad in the case of cotton textile machinery or where Officer on Special Duty (Silk) certifies the necessity in case of requirements for silk and woollen textile machinery.

(vi) *Oil Mill Equipment machinery*, the following:—

(a) Seed driers.

(b) Oil expellers.

(c) Hullers.

(d) Disintegrators.

(e) Rotary ghanies.

(f) Neutralising Vessels.

(g) Hydrogenating Vessels.

(h) Deodorizers.

(i) Filter Presses.

(j) Electrolytic cells for producing hydrogen.

APPENDIX—ZC (contd.)

(vii) *Rubber Processing Machinery.*

- (a) Curing chambers.
- (b) Tube vulcanizers.
- (c) Plasticators.
- (d) Banbury mixing machinery.
- (e) Mill mixing machinery.
- (f) Centrifuges.
- (g) Ball mills.
- (h) Spreaders.

(viii) *Sugar mill machinery.*

- (a) Cane carrier.
- (b) Cane knives.
- (c) Cane crushers—two roller or three roller.
- (d) Cush cush strainer.
- (e) Juice measuring or weighing tanks.
- (f) Sulphitation tanks.
- (g) Storage tanks.
- (h) Seum mixing tanks.
- (i) Liming tanks.
- (j) Carbonation tanks.
- (k) Sulphur dioxide generation plant.
- (l) Juice heaters.
- (m) Eliminators.
- (n) Filter presses—Plate and frame or rotary.
- (o) Evaporators.
- (p) Vacuum pane.
- (q) Crystallizers.
- (r) Centrifugals including high speed centrifugals.
- (s) Sugar dryers including screening and grading plant.
- (t) Carbon dioxide pump.
- (u) Bagassee elevator and carriers.
- (v) Condensers.
- (w) Water powers.
- (x) Mixers.
- (y) Sugar Coolers.
- (z) Spray cooling plant.
- z (a) Grass hopper conveyor.
- z (b) Screw conveyor.
- z (c) Sugar elevators.
- z (d) Sugar sifters (rotary)
- z (e) Trash plates and scraper.

(ix) *Tea Machinery.*

- (a) Tea rollers.
- (b) Tea cutters.

APPENDIX—ZC (contd.)

- (c) Ball breakers.
- (d) Tea packer.
- (e) Stalk extractor.
- (f) Sifter.
- (g) Tea dust machine.
- (h) Tea breakers.
- (i) Roll breakers.
- (j) Tea sorters.
- (x) *Chemicals and Pharmaceutical Machinery.*
 - (a) Water softening plant.
 - (b) Drying chamber for drying cotton.
 - (c) Hydro extractor for cotton.
 - (d) Scutchers.
 - (e) Pickering machine.
 - (f) Absorbent cotton rolling & winding machine.
 - (g) Cutting machine for rolls of cotton.
 - (h) Powder filling machine.
 - (i) Granulating machine.
 - (j) Sifter and mixer.
 - (k) Tablet and pill coating pan.
 - (l) Drying chamber for materials for tablets.
 - (m) Cork pressing machine.
 - (n) Sieving machine.
 - (o) Kneading machine.
 - (p) Still with rectifying column.
 - (q) Cylinder fitter.
 - (r) Ball Mills.
 - (s) Roller Grinders mills with granite rollers.
 - (t) Bottle washing and rinsing machine.
 - (u) Labelling machine.
 - (v) Hot air sterilizer.
 - (w) Mixing digesters.
 - (x) Supphonation vats.
 - (y) Evaporating bowls.
 - (z) Enulsifying machine.
 - z (a) Tablet machine (ordinary type).
- (xi) *Soap and Cosmetics Machinery.*
 - (a) Soap plodding machine.
 - (b) Milling machine for soap.
 - (c) Machine for grinding and blending of face powder.
 - (d) Soap kettles.
 - (e) Tallow melting out vats.
 - (f) Caustic soda lye tank.
 - (g) Soap cooling frames.

APPENDIX—ZC (contd.)

- (h) Slab cutter.
- (i) Double head chipping machine.
- (j) Roll mill.
- (k) Double head plodder.
- (l) Stamping machine.
- (m) Plastic mixing and kneading machine.
- (xii) *Glass Industry Machinery.*
 - (a) Edge Glazing and polishing machine.
 - (b) Sand washing and drying plants.
 - (c) Quartz crushing mill.
 - (d) Moulds.
 - (e) Melting machine.
 - (f) Glycerine distillation plant.
 - (g) Toilet and soap drier.
 - (h) Oil refining and hydrogenation plant.
- (xiii) *Ceramic Industry Machinery.*
 - (a) Filter (Magnetic).
 - (b) Clay making plant.
 - (c) De airing pug mill.
 - (d) Jigger jolleys.
 - (e) Cutting table.
 - (f) Pentagon roofing tile press.
 - (g) Stone crushers.
 - (h) Agitators.
 - (i) Double tunnel kiln.
 - (j) Gas producer.
 - (k) Glaze sifter.
 - (l) Brick making machine.
 - (m) Mixer.
 - (n) Dryser.
- (xiv) *Jute Mill Machinery.*
 - A. *Warp and Weft Preparing.*
 - i. Dust shaker.
 - ii. Jute softener.
 - iii. Drawing frames.
 - iv. Roving frames.
 - v. Spinning frames.
 - vi. Twisting frames.
 - vii. Cop winding machine.
 - viii. Roll winding machine.
 - ix. Dressing machine.
 - x. Power reel.
 - xi. Beaming machine.

APPENDIX—ZC (*concl'd.*)

xii. Gun metal conductors.

xiii. Pickers.

B. *Weaving Looms.*

i. Looms similar to R & O type.

ii. Looms similar to U. L. type.

iii. Sacking and Hessian Looms of all reed-spaces plain and twill motion.

C. *Finishing.*

i. Measuring machine.

ii. Spray damping machine.

iii. Lapping machine.

iv. Hydraulic baling press pump.

v. Printing machine.

vi. Water proofing machine.

vii. Mangling machine.

NOTE:—The question of issuing licences for the above machinery will be considered if the applicants can produce that indigenous manufacturers were not supplying the machinery.
